Summary Box

What is the Interest Rate?

	Gross*/AER**%*
£100+	0.50

Interest is paid annually on 30 June and can be added to your Charity Easy Access account or direct to the charity's bank account.

No interest is paid on balances that fall below the minimum of £100.

*Interest is paid exempt from UK tax.

**AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added once each year.

Can MHBS change the Interest Rate?

The interest rate is variable which means we can increase or decrease the rate at any time.

For more details about why we may change the rate, and how and when we will let you know about the change, please refer to section 12.3 of the General Savings Account Terms and Conditions.

What would the estimated balance be after 12 months based on a £1,000 deposit?

£1,005.00

This projection is for illustrative purposes only.

If £1,000 was deposited on 1 July, assuming no further deposits or withdrawals are made and interest is added to the account, on 30 June the account balance would be £1,005.00
