MHBS donate to local Hospice

Market Harborough Building Society is delighted to present Cransley Hospice with a cheque totalling over £4,000, raised from donations made by the Society in relation to the Easy Access Cransley savings account and the Society's AGM voting scheme.

Lisa Ashley, Retail Manager of the Market Harborough Building Society, said "The support and compassionate care Cransley Hospice provides to patients with life-limiting illnesses, their families and carers makes a big difference. The funds they raise each year helps them to be able to provide such high-quality care; we are very proud to support Cransley Hospice."

Mark Spruce, Community and In Memoriam Development Manager at Cransley Hospice said: "The £4000 that has been raised through Market Harborough Building Society's community accounts for Cransley Hospice is hugely appreciated. This donation will allow us to continue to provide care for patients with a life-limiting illness who need the specialist help of hospice care. We would like to take this opportunity to thank everybody that chose to donate to Cransley Hospice through their community account and all at Market Harborough Building Society for their continued support of Cransley Hospice"

Cransley Hospice has put its name to an Easy Access savings account with the Society, allowing customers to save and help the local charity. Each year the Society donates 0.5% of the average balances held in each account to the hospice, making a huge difference.

In addition, as part of the Society's AGM voting scheme, 25p was donated for every vote made by its members from a choice of three charities including Cransley Hospice.

Cransley Hospice in Kettering, provides care for patients with life-limiting illness who need the specialist help of patients with hospice care. Specialist care is provided to patients and their families whether they are in the hospice, at home or in a local hospital or care home.
